

## TAX CREDIT PROGRAM

In 1999 the Arizona State Legislature passed a bill allowing taxpayers to contribute up to \$200 (up to \$400 for joint filers) per calendar year to a public school, and receive a state income tax credit for the full amount. It is not a requirement that the taxpayer have a child enrolled in public school. The tax credit is available to all taxpayers and goes directly to the school you choose.

To claim the tax credit, taxpayers must contribute to an “**Extracurricular Activity**” such as, sports, band, choir, drama, music, field trips and tutoring. You may designate a specific activity for your contribution, or ask that it be credited to the “general extracurricular fund” at your school. You may also split your contribution between two or more schools.

Please consult with your personal tax preparer to determine the application of this credit. You may use the bottom of this page to accompany your donation.

**Count me in!** Please apply the enclosed contribution of \$ \_\_\_\_\_
